Dear Friends,

Welcome to the 26th Annual Kentucky Farm Bureau Beef Expo at the Kentucky Exposition Center. The Kentucky Department of Agriculture and Kentucky Farm Bureau are proud to sponsor the premier beef cattle event in the Commonwealth of Kentucky.

Kentucky is the leading beef cattle state east of the Mississippi River, and we have excellent quality to go with those strong numbers. This event provides an opportunity for cattle producers to showcase their herds and for buyers to have a chance to purchase the best genetics in the business. As a cattle producer myself, I fully understand the importance of a strong genetic base in a successful cattle herd.

With 12 breeds and the pen heifer show and sale, the Kentucky Farm Bureau Beef Expo has something for everyone. Not only are these animals a great way to improve a herd, they also represent an opportunity for our young exhibitors to select project animals for the 2012 KDA show circuit.

In addition to the breed shows and sales, we anticipate a great turnout for the judging contest. This program has grown into one of the premier judging contests in the country. Junior exhibitors also will have an opportunity to participate in the junior show on Sunday. Junior exhibitors throughout the Midwest will compete with some of the best show stock in the country.

I am excited to be your Commissioner of Agriculture and to be involved with this great program. I can assure you the staff at the Kentucky Department of Agriculture will be working hard to make this Kentucky Farm Bureau Beef Expo a great one.

Sincerely,

JAMES R. COMER

Shuter's Last Chance is the last son of the performance, milk and EPD leader, WFB Shari PL318. He combines the power and eye appeal of his sire and the performance and numbers of his dam. He got off to a bit of a rough start after we lost two of his dam's quarters to mastitis because she milked so heavily. If you want to add some milk and performance into your cowherd, I am confident that this guy will be the ticket.
